RECTORS ANNUAL REPORT

When others seem to break
When hope seems at an end,
We may be able to give hope just as a friend.
In Christ we share
A call to be in ministry,
To love and care.

Hope brings us back to life
In hope we can proceed;
God of the future calls to us if we but heed.
In Christ we view
How God can reign in our domain;
Make all things new.

This Christmas brings new hope For justice, peace, goodwill; This Advent time may bring with it a secret thrill. With Jesus born New hope can be reality With each new dawn.

George Stuart (Australia) Tune: Darwall (66.66.88)

"Rejoice, the Lord Is King"

George Stuart, as Sydney Carter before him, said that traditional hymns use lyrics and words that "express ideas which singers no longer enthusiastically or wholeheartedly endorse", resulting in "much personal irritation" from "a growing and significant number of people". Resulting in efforts to use traditional hymn tunes to be the vehicles of contemporary, progressive Christian ideas. 2017 will make the 500th anniversary of the reformation and we intend to use next year to explore 'Dangerous Ideas' and revisit the nature of Bible and other foundations of our faith and contemporary global themes.

Discovering the Local reality can be challenging it would be easier to keep our heads down but life is very different to the days when ministry began here 160 years ago and it demands greater flexibility and a willingness to consider new models of sharing the good news in ways that are real in the light of financial realities facing the diocese of Wangaratta and the announced retirement of so many clergy and the forthcoming retirement of Bishop John in 2018.

St Matthews -"A community not just a congregation"

Our practical ministry in partnership with so many has advanced from the emergency food room, to our homeless shower with a range of donated toiletries and towels. Coffee and "Muffin Break" muffins every morning for homeless, travelers and distressed people.

Concerts for the homeless by "Northern Folk" with hundreds attending in the Albury entertainment center and St Matthews.

And now a partnership with "Carevan" to better care for the needy of our city.

Numerous interfaith opportunities with Islamic community as well as other faiths ANZAC, NAIDOC week service, Celtic weekend of arts and spirituality, Harvest festival, CIVIC Remembrance service, Youth engagement through engaging local schools in community welfare and mental health initiatives. Hosting Scouts and Rovers St Georges Day, Weekly Baptisms and Mothers Union support with knitted teddies for all. Ecumenical partnerships of welfare and spirituality. Liturgical, administrative and pastoral support of smaller rural centres. Pastoral and bereavement support through pastoral partner network and funerals and Eucharistic assistants, Aged care services and meaningful worship at retirement villages community celebrations through many weddings. Providing a community sanctuary through a church that is open and welcoming with a committed team of church sitters and welcomers and a beautiful garden providing tranquility refreshment with opportunities for outreach and friendship and telling the story of Good news for all through our website and television, radio and print media. The Grapevine and the Advocate as well as the weekly pew sheets are very much appreciated ways of keeping in touch, and now through the website we have the Grapevine in color NEW WEBSITE we head out into a new uncharted ministry waters with a growing team of committed mission partners of all ages, cultural traditions and backgrounds. The installation of a defibrillator at the back of St Matthews is also a demonstration of caring in practical ways for friend and stranger.

Thanks, thanks and more thanks.

More thanks to the Bell ringers, Deb Davenport miraculously calm office manager and Julie Torpey our book keeper and "friend at court" in Wangaratta, Ray Fietz the internationally travelled head verger and assistant verger and caretaker Matthew-Paul with Sandy Bobisch, The dynamic duo of Lyn and Jenny and the amazing David Sutherland have stepped up to fill an enormous gap caused by the sudden illness of the mixed garden bunch Coralie Williams, with Annie Snow and Leanne Kohler, Sadie, Op shop angels, welcomers and other individuals who just throw themselves in to make things happen, the assistant and associate priests and deacons, sub-deacons and sanctuary team, pastoral assistants, choir and organists and their families, vergers, servers, church wardens, church sitters and evening group, Anglican women Mothers Union, Tuesday Morning mass group, Wednesday fellowship and Men's fellowship, the music boys, Kaye Kennedy parish council secretary and all parish councillors and those who quietly do such an outstanding job for us all. Sunday morning miracle scone team with Essie, Helen and Kay insures that Sunday morning finishes with a steaming and delicious hospitality.

Thanks also to those on the Helen's Flower roster, Sadie's Dusting roster, catering committee, children's church, craft and embroidery group, prayer circle, St Matthews retirement village, court coffee, the small band who organize the brass cleaning, altar linen and morning teas, a special thanks to The Albury Club for welcoming us so generously for meetings and functions - so to all of you a huge thank you for all you do.

"The Drastic Plastic" Clergy support: Reverend Maureen and Kevin Beattie moving to Wangaratta who has made so much liturgical reform possible and a fountain of new ideas, Fr Bill has continued to provide unstinting support, we have Fr Colin Wellard, also soldiering on through health difficulties. Chaplain Charles Vesely and family soon leaving, to support the wider ministry of St Matthews, each bringing their special gifts. And this year welcoming many new friends from the Bhutanese community and also establishing a Bhutanese garden at St Matthews. We are also delighted to welcome Rev Catherine Dawson Albury Wodonga's new hospital chaplain. Rev Bryn and Dr Jenny Jones are back St Matthews and we continue to welcome local Albury High school who use St Matthews as community forum, youth welfare hub and concert hall and examination venue.

St Matthews's community charity Christmas trees with interfaith community themes kicks off with a cocktail party.

We enjoy outstanding community participation over a 1000 came to St Matthews at Christmas, over 300 alone at the Community Carols and Lessons service and packed to the rafters so many other occasions and how thankful we are to those who have gone before us whose faithfulness has made this possible.

Worship, Welfare, and Mission are the keystones of our life together and the loudest secret of our success.

Our Lent lectures by National Human Rights speakers provided are continuing opportunity for engagement on critical issues.

I am proud that we are "Christ's love without borders" from Altar, and food room, in the garden, pop up Op shop on the street between neighbours and in places of need, from the organ stool, choir gallery and schools and aged care facility, refugee camp, coffee morning and in the petition of the homeless afflicted or addicted, the old or the young, the grieving or the joyful. And Mental health, Court coffee and court support and advocacy continue across the borders.

We have a deliberately 'open table' policy inviting all to communion and the experiment of receiving communion standing at the pavement outside the chancel is proving a convenient practice both for Wednesday's and for our largest services making reception at the Lady Chapel unnecessary and freeing that space up for more chairs.

<u>Once again our pastoral care and worship committee</u> has met to make these more relevant and add special services at St Matthews before festivals that are easily accessed and specially tailored to older people. The music provided by Sue Fyfe is also greatly appreciated and been enhanced though the participation of Lyn and Jenny from the choir.

Our growing choir has shared across the Diocese by singing at Evensongs, inductions and various church and community concerts. A number of members of the choir featured in local musical productions giving us an opportunity to support them as a parish.

St Matthews Music Foundation for country Kids (now transitioning to our own music association) has exploded with opportunities for music ministry training and outreach, Dr Allan Beavis our organ tutor and student James Flores (awards received this year - Archbishops' Award in Church Music, Guild of Church Musicians; Diploma of Church Music - Dip.SCSM (Ch.M), St Cecilia School of Music, Tasmania; Licentiate Diploma of Church Music - L.Dip.ASMC (Ch.M), Australian Society of Musicology and Composition) welcomed more promising music scholars made possible by a growing number of foundation friends and supporters and with the support of Sandra Macleod-Miller who has made a growing number of concerts and receptions possible at Adamshurst.

Albury Chamber Music Festival is the latest exciting child of our musical collaboration and outreach.

The sellout success of Albury's inaugural Chamber Music Festival speaks highly of the community and St Matthews church imagination and support that made it happen.

Save the date 17th to the 19th of November 2017 for the Albury Chamber Music Festival and a series of festival events to be announced.

To our music department maintaining and growing music in the best "Anglican tradition" for which we are most grateful. we remain indebted to our director Fr Malcolm (and Sandra) Halford back to St Matthews music department benefitting from his playing, singing, many thanks also to Rowena Ginns and David Luxon (who also plays for our children's services providing assistance to our participating music scholar Thomas Summerfield, to Patricia Clout her support of the RSCM Friday lessons our weekly music and liturgy meetings and thanks to our wonderful choir, soloists and servers some of whom travel across state Borders to be on board also. Intercessors and readers have stepped up to the mark capably and sometimes with little notice but well marshaled by Angela Braybrooks who has acted as a worship consultant. Choir parents have a special role and we are very grateful for your support.

Musical outreach – making the most of our opportunity, wonderful acoustic, significant instruments and fine musicians. Many thanks to our organist's conductors and vocal soloists for recitals to support St Matthews music. St Matthews has hosted many wonderful community arts events including choirs and orchestras. And very pleased to showcase emerging musical talent including hosting the Year 12 music exams from Albury High.

<u>The Dream Team!!-but wide awake!! Our wardens</u> Ken Curnow, Vicki Chick and Joe Nesbit have also been a great team throwing themselves wholeheartedly into the St Matthews Challenge, working with the parish council and Diocese toward a long-term development and growth of our assets.

<u>Parish Centre proposals and the Art Gallery development</u> the issues surrounding our land in the QE11 square were resolved to our mutual benefit and we are already enjoying our relationship with MAMA Albury art gallery and have also had increased partnerships with the Albury Library museum for displays and exhibitions

<u>St Matthews Village</u> –thanks to Brian Elliott and the committee the village continues to develop in an exciting way. as part of the mission of the parish

During the past 12 months, we have lost very significant people in our parish family and community including Stan BEST, Dulcie NICHOLS, Marlene KENNEDY, George WEBSTER, Margaret KENNEDY, Ned MONTE being farewelled from St Matthews with all the love that we can show them and their families at the time, 'Rest eternal grant to them O Lord and let light perpetual shine upon them'.

Best wishes Fr Peter

ALBURY COURTHOUSE COFFEE SERVICE AGM REPORT

The Court Coffee Service has been in operation since 20th September 2010. The sixth anniversary of the service was celebrated with a Luncheon on 21st September 2016. It began under the banner of Anglicare Victoria, but transitioned to local management in September 2015. It is staffed by volunteers from the Anglican Parishes of St. Matthew's and Northern Albury. The service provides tea/coffee/milo and biscuits, at no cost or by small donation, to people attending the Albury Courthouse. The service operates on Monday and Tuesday mornings each week. The service continues to be well received and caters for clients, support workers, court staff and legal personnel. Currently, there are 27 volunteers.

Executive:

Coordinator: Rev'd Christine Page Secretary: Mrs Robin Wellard Treasurer: Mrs Sonia Staples

Purchaser of Supplies: Mrs Helen Martin.

Team Meetings: All volunteers are invited to attend the team meetings held three monthly. Next meeting is 30th

November at 4pm at St Mark's Church, North Albury.

Refreshments Served: From 22nd September 2015 to 31st August 2016 volunteers served:

568 teas 1840 coffees

465 milos. a total of 2873 hot drinks - plus countless biscuits.

Finances: A Hume Bank Community Link account was opened on 2nd October 2015. The donations cover the operating costs. The balance at last statement for the period 30 June – 30 September 2016 was \$889.41.

Training/Protocols: Basic training and mentoring is provided to new recruits. A current NSW Working with Children Check and a Safe Ministry Check is required. Protocols required by the Courthouse and the Anglican Church are provided. On 12 May 2016, a security briefing was held at the Courthouse. Several volunteers attended this.

BELLRINGERS – TOWER CAPTAINS AGM REPORT

Sunday morning, 8.30 AM, fifty-two weeks of the year you will hear the bells ringing at St. Matthew's. As you can tell by that statement we are a dedicated group of people.

The year started well with an abundance of ringers, but because of two resignations and health issues with another two we are in need of new recruits. Fortunately, two have come forward and Tom and Bob are now in training. However, we need more recruits so that when fully trained there will be sufficient ringers to cover absences and to keep **all** the bells ringing each Sunday.

During the year, there was a maintenance issue with the tolling bell "John of Glastonbury". This bell had to be shut down temporarily to facilitate repairs to the Chiming hammer. We were fortunate to have the expertise of Joe Nesbitt who managed the maintenance. Thank you Joe!

New muffles have been purchased. Yet to be used, they will make the job of muffling the bells much easier for half-muffled ringing, used on special occasions. They will also be a better fit which will allow for more precise ringing.

Apart from service ringing, bells have also been rung for funerals, weddings and occasional special services as Anzac Day, Police Remembrance Service and for the visit of the Christs College Choir.

For many years the bellringers have been responsible for the very successful BBQ stall at the Parish Fete. Once again this year it was an outstanding success, much of it being due to the hard work of twins Jenny and Lyn who gathered donations of all the ingredients required. Thank you Jenny and Lyn, your assistance was much appreciated. St. Matthew's is most fortunate to have these enthusiastic women who give themselves so willingly to working for St. Matthew's. Well done girls!

After a bellringing career of around ten years Christine Watson regretfully decided to retire. We thank Christine for her dedication to bellringing and wish her well in her retirement. Christine is very much missed on the team but I am pleased to say she pops into the tower for a chat from time to time.

Coralie has taken leave for a while to undergo treatment. We miss her very much, wish her well and look forward to her return to the tower when she is ready.

In the New Year a group of English bellringers will be visiting St. Matthew's to ring a quarter peal and also to join with the local ringers for some general ringing. These bellringers plan to ring in as many towers in Australia as possible in the time they will be here.

CHILDRENS CHURCH AGM REPORT

It is with pleasure that I present the 2016 Children's Church report. Children's Church has seen some changes in the ages of the children attending.

A few of our older members have moved on, and several younger people have become regular attendees. While it is sad to see the older children moving on, we hope that we have fostered an interest in getting to delve deeper into the Christian faith.

Our littlies are very enthusiastic, and enjoy coming and being involved in the service, sometimes supported by their parents or grandparents.

The service sheet which is constantly reviewed, seems to be well accepted by all the congregation, and the action songs are a hitl

In August we celebrated our 16th birthday, and the occasion was a happy one, and the role of Children's church in the parish was acknowledged.

We have been extremely lucky to have the input and involvement of Reverend Maureen Beattie over the last 5 years, she and Kevin recently moved to Wangaratta, but Maureen has been returning regularly, for several involvements, one being Children's church, we are not sure what the new year will bring.

Chaplain, Catherine Dawson has on 2 occasions, stepped up to take Children's church, and we have much appreciated her down-to earth presentation, and hope she may have a closer association with Children's church in the future.

Fr Peter continues to add his special magic to the service, and his way of relating to even the smallest child, has them answering questions he poses with enthusiasm and confidence. It is heartening the way he welcomes children into all the St. Matthew's services, and we really appreciate the constant attention to the style and message within the service sheet, and to all the themes presented in the Children's Church services.

Our special thanks must go to our musicians, David Luxon, Rowena Ginns, and Tom Summerfield, who do a wonderful job, presenting happy, up-beat music, which sets the tone of the service! We thank Sandy, Matthew Paul, and Ray, as they attend and assist through the services.

Roma Sykes and Maureen Lewis are our faithful and loving helpers, and we thank them so much for their reliable support each service, handing out the service sheets, as well and drinks and food after. As most of the congregation are on Email, we send as many emailed invitations as possible, if you would like your invitation emailed, please see Susan, who is responsible for the invitations.

Susan, Janette and I feel this children's ministry in most worthwhile, and we look forward to our 17th year of operation in 2017!

CHOIR & MUSIC REPORT

2016 has seen changes in the music personnel of the parish, firstly with John Scott resigning as Principal Organist, and then in February the resignation of John Ross as Choir Director. Both of these men have made a tremendous contribution to the musical and liturgical life of St Matthew's, and we are very much in their debt for years of selfless and valuable contributions to St Matthew's.

The choir of St Matthew's has continued through 2016 to make the major musical contribution to the ongoing weekly liturgy, including the psalm of the day, a censing anthem, and an anthem during the communion.

On the first Sunday of each month the choir has prepared a service of choral evensong from February to October. In October, we joined with some of the Cathedral choir to sing a service of choral evensong at St Michael's West Wangaratta to mark the retirement of their Rector, Fr Alan Jarrad. And the service in November took the form of an inter-faith service for peace, which the choir augmented with appropriate choral music.

Special music was prepared and presented on Good Friday and Easter, and will be for the service of Lessons and Carols before Christmas, and for the Christmas services, as well as the coming service of Confirmation on December 18.

The Murray Conservatorium Choir, and Consort, have both continued to use St Matthew's as the regular venue for their concerts during 2016. We were also privileged to have a visit last July by the Choir of Christ's College, Cambridge, UK who presented a wonderful concert in St Matthew's. There have also been two international organ recitals this year – Daniel Moult from the UK in March, and Martin Setchell from New Zealand in June.

Choral music and/or organ music was also prepared for the following occasions during the year: Lenten music and meditation Wednesday services, the Celtic service during the Celtic weekend in June, the annual police Remembrance Day service on September 29, an RSL Remembrance Day service on November 11th, and the inaugural Albury Chamber Music Festival over the second weekend in November.

I would like to thank all the members of the choir for their dedication and commitment during this last year, David Luxon for his work and support as assistant organist, and Patricia Clout for her untiring work with the junior choir members. I'm also grateful for Fr Peter's continual support and interest in the musical life of St Matthew's.

CHURCH DUSTING

Who likes dusting? No one!!

However it is necessary chore that needs to be done, especially when the church is now used for everything that we require for worship and social functions.

When you attend a function have you thought about who cleans up afterwards?

There is a band of parishioners who always step up to keep the church and the surrounds clean.

Working Bees are held about 3 times a year, but in between we do need to keep the church as clean as possible.

Some of the parishioners who have been on the roster for years have for personal reasons needed to resign.

We do need some extra help. The roster is organised on a one month of the year basis. Dusting is done on the 1st and 3rd week of the month.

If you can help, please contact me on 60573116 or talk to the office staff.

CHURCH SITTERS / WELCOMERS GROUP AGM REPORT

During week days we like to have someone at the church to welcome visitors and sell the craft items that are available. This also provides some security when the church is open. There are spaces to fill on this roster.

Some days are quiet, and if you are able, you can do some tidying and dusting, or help Debbie with some office tasks. Craft Sales are recorded in a book provided and a small report is written.

If you can help, please contact me on 60573116.

CRAFT EMBROIDERY GROUP AGM REPORT

Another year has passed more swiftly that the last. Our group has been as usual quite productive with our craft making, and have over the years raised enough money to pay for the installation of a garden shed to take some of the gardening tools and other goods that did not have a home.

Last year we decided to pick up the running of the Christmas tree Festival. For 13 years this function had been organised by the parishioners at St Marks Nth Albury. We felt it was a shame to let it lapse completely. It does take an extra effort by the volunteers. Thanks to all those who answered our appeal for help.

We were very pleased with the 4 day event. In total \$4206 was raised from the voting fee, BBQ, and craft sales.

\$1038 from craft sales and the BBQ was put towards the general running costs for the office. All the voting money was distributed to the relevant charities that were nominated by the entrants.

Socially and financially it was a success and we decided we would continue to run this event the last week in Nov 2016. This weekend means it again will be held the same time as the AGM so the church will be a hive of activity that Sunday. Our group has gained a new member who is a great asset to our team, as she loves her sewing machine, and produces excellent quality articles.

My thanks to all our small group, we now total 9 who attend our working bees or work from home. Each one contributes in their chosen craft. Some Knit, other prefer to sew and some prefer to use other forms of craft techniques. In all, this provides a variety of craft.

The cabinet in the Narthex displays some of the craft that is for sale during week days from 10 am until 1 pm. Visitors and parishioners often purchase gifts. This money helps with the running costs of the church. We look forward to another happy year.

EMERGENCY FOOD PROGRAM 2016 AGM REPORT

This has been a very busy year purchasing, packing and distributing food for those in need.

It has been a blow to me that due to poor health Angie has had to withdraw from assisting with food room work. However she continues to be my mentor. I so much appreciate her experience, foresight and common sense. Thank you Angie. These are the numbers of food bags handed out so far this year:

January 29, February 39, March 39, April 30, May 31, June 40, July 25, August 32, September 34, October 30. These numbers are larger than those for last year.

In addition to food hampers there is daily use of the mobile shower at St Matthews. Numerous cups of coffee, tea and muffins (thanks to Muffin Break) are made and given out each morning from the Parish Office. Fuel vouchers are given on some occasions. Sometimes we are able to help YES (Youth Emergency Services) with food items.

Thank you Deb, Coralie, Lyn, Jenny and David for being on the spot for those asking to be helped. What a great community service this is from St Matthews.

Thank you also to so many parishioners for your very generous donations of food and cash to help with our Emergency Food Program.

I continue to use Food Bank Victoria regularly for some free food items. Frozen meals from Food Bank are a great help. Once again thoughts are turning to the Christmas Hampers. Orders will soon be in from the various agencies who distribute our hampers in the local community. Jane Atkinson has very kindly offered to help me coordinate this very big project.

Special thanks to Deb for regular communication and general support throughout the year.

Thank you Lord for what we at St Matthews are able to do for others.

EUCHARIST MINISTRY 2016

The Eucharistic Ministry Team comprising of Ray Fietz, Sylvia and Bert Williams, Robin Wellard and myself take the Eucharist to patients and residents at Mercy Health and Mercy Place each week.

Sue Fyfe assists the clergy from North Albury at the monthly service. It is a great joy and pleasure to visit these two places and share in the Eucharistic Ministry with them, people other than Anglican faiths are often on our visiting list.

The Pastoral Care Associates, Gayle Ockenden and Jacinta Bartlett, who support us and prepare the visiting lists appreciate the time we give there and acknowledge the comfort that our visits give to those who participate in the simple Eucharistic service we offer.

It is also enjoyable to meet with the Eucharistic Ministers from the Catholic faith from time for training or afternoon tea and spend time together with them. When we meet them as they go about their visiting roles it is lovely to know their faces, even if we cannot recall their names.

We all feel very blessed to be called to this ministry.

EVENING GROUP AGM REPORT 2016

Our year commenced with a planning meeting. We held two trivia nights at Adamshurst one in April the other in September. These were well attended and are a lot of fun, about \$1840 was taken over the two nights. There is a possibility we will hold another one next year.

In June, we meet for soup & bread followed by Musical Bingo. This got the members thinking as they had to listen to the music of some well- known songs and guess what they were

We had lunch in the Red Room of the Commercial Club in July, which was enjoyed by everyone who attended.

At another meeting Helen Glachan told us about her recent around the world cruise.

Pam Thorman gave us a brief history St Mathew's Churchwoman's Union and how the Evening group evolved from this. Pam presented the group with all her information. This is now stored in the Rectory as part of the archives.

Members don't just come to the meetings. They clean the brass, clean the church, arrange the flowers, help at the op shop, welcome people to the church, meals on wheels.

Our numbers are few, but the members are a dedicated lot. They attend meetings when they are able. We met on the 3rd Thursday of the month at the Rectory. Meeting times vary depending on the seasons. We always commence our meeting with AWA service which includes a bible reading and prayers. Our meeting usually only last about two hours and that includes supper. It depends on whether we have a guest speaker.

Why don't you consider joining our group we would love you to join our small group.

Kaye Kennedy President.

MOTHERS UNION AGM REPORT

Once again we have had a wonderful year of prayer friendship and support, within our very vital group. We continue to grow and extend our support base, we aim to include all members of our community, not necessarily just members of our parish. Anyone who would like to be involved in activities is welcome, it is leading by example and inclusion that we will spread the word of supporting families and not always married families, any individual or combination of families. We continue to vary our meeting venues which again makes our meetings accessible to others and isolated members in our community, we use some of our local retirement facilities. They are very welcoming in facilitating our meetings. As always we had our usual activities, Pancake night which was the same night as the Buddhist New Year and we had the local Bhutanese community join in and provide food, it was a wonderful evening. We continue to support Baptisms, one of our members attends every baptism and presents the children with a hand knitted teddy made by our many knitters. Children's Church continues to be very well attended and well run by a very dedicated committee, it brings a lot of young families into St Matthew's.

Our Secret Friend program is ongoing and is very well supported by all our members it gives us the opportunity to give special support to those of our members who need that special TLC and remember those special occasions in their lives.

We had a wonderful speaker from Headspace as part of our Social Responsibility and Action program. Headspace has been available for a couple of years; it is a cross border service for youth between the ages of 12-25 and is aimed at reducing youth suicide. The talk was very interesting and gave hope that this initiative may go some way to reducing depression and anxiety in the young people of this region. I am sure when Mary Sumner started MU youth suicide was not even thought of, the social issues have changed so much and will continue to do so and we need to keep pace with the changing issues in our society.

I attended a study group throughout the year and one of the key points of this study was 'welcoming The Other' and this is how I feel about MU; it gives us the opportunity to welcome everyone. 'The Other' doesn't necessarily have the same beliefs, culture or lifestyle as us but we are all bound by our concern for a peaceful community for our families. If we can provide prayer and support for each other, this is the true religion which comes from the heart.

As we look forward to the end of another year together in MU you will all have your own thoughts and memories of the year gone by, this is just a brief reflection from my perspective. May we all look forward with God's blessing to a wonderful 2017 together.

Stephanie Stephenson President St Matthew's MU

In May Donna Coleman, Pianist, 'Spirit, Passion and the Right Hands' With special guest Helena Kernaghan, gave a recital at Adamshurst.

Donna performance was one of unusual and eclectic repertory which ranges from Domenico Scarlatti and J.S Bach to Bill Evans and Charles Ives.

OP SHOP ANNUAL REPORT

St Matthew's Op Shop began the year as a pop-up Op Shop in the grounds of the church.

As the cold weather approached it became apparent that a more permanent shop was needed. Vicki organized a shop in the Globe arcade, opposite the church, and Jo built amazing racks to hang the clothes from. The shop is open 10.00am until 2.00pm on Wednesdays, Thursdays and Fridays.

It has taken a while for customers to know where we are but the shop is going from strength to strength. An expanding group of volunteers are enjoying time together in the shop.

Leanne continues to do an amazing job sorting the clothes. Lyn and John Schuberg need many thanks for their loyal support organizing the roster and many hours manning the shop.

Takings for this year:

January: \$130.10, February \$171.35, March \$93.40, April \$486.60, May \$227.50,

June \$367.45, July \$626.55, August \$418.45, September \$432.30, October \$486.05.

Good quality second hand clothing is always needed and new volunteers are always welcome.

Remember to bring your friends and family to the Globe Arcade.

PASTORAL CARE REPORT

The pastoral care team: Fr Peter, Carol Read, Fr Colin & Robin Wellard, Fr Bill & Rowena Ginns, John Schuberg and myself have been visiting members of St Matthew's community as well as Aged Care Facilities and some who are unable to attend church due to frailty throughout the year. We welcomed to the team this year David Martin, Annette Gorham and Barbara Hoodless will soon be joining us. The team meets monthly.

The parish is involved with a variety of ministries and outreach as shown below:

Communion services in Aged Care Facilities

Murray Gardens: 3rd Thursday 11am with Fr Bill and assistance from Annette Gorham. John Schuberg has stepped down to offer more time to the Op Shop.

Mercy Place:- 2nd Tuesday 10.30am Monday with Fr Peter and assistance from Bert & Sylvia Williams, Joy Harberecht and Sue Fyfe on the piano.

Riverwood: 1st,3rd,4th & 5th Fridays 10am with Fr Peter once a month and Fr Bill twice a month. David Martin assists as well as Betty White playing the key board.

Yallaroo (Lutheran) 4th Tuesday 11am with Fr Peter and Carol Read assisting and Sue Fyfe playing the key board **Dellacort** (Lutheran) 2nd Tuesday 3pm with Fr Peter and Carol Read assisting and Sue Fyfe playing the keyboard **Borella House:** 1st & 3rd Tuesday with Fr Peter and Fr Bill alternating; Kay Kennedy assists and Sue Fyfe plays the keyboard

Mercy Health: monthly service taken by North Albury Anglican Church Sue Fyfe assists at this service Jenny Prince and Lyne Winnel sing at many of the above services.

This ministry is well received by residents and staff

Fr Colin, Fr Bill, Carol Read and Annette Gorham are regular visitors at many of these facilities as well as Albury and District Nursing Home.

At **Christmas and Easter an Aged Care Service** is held at St Matthews on the Wednesday the week prior. Both these services are simplified as a pastoral response for those attending; morning tea is provided in the church by many of our Wednesday parishioners. Both these services are well attended

Hospital Eucharistic ministers at Mercy Health: Bert and Sylvia Williams, Carol Read, Ray Fietz and Robin Wellard are authorised to take communion to Anglicans in the hospital on a weekly basis. Carol Read coordinates this ministry.

Home Communions; Gill McKay, Carol Read, Annette Gorham and myself have taken communion to those who are unable to attend the services or those who are sick.

All of the above is St Matthew's care to parishioners and outreach to those in the wider community who are unable to attend church due to frailty/illness.

St Matthews has a large congregation with a pastoral care need for regular visiting with those who no longer attend church due to frailty and those who live on their own and those who are bereaved or ill. Fr Peter cannot do this ministry alone, with parish council we have discussed this situation and believe that what is needed and would benefit the existing ministry is a 'Pastoral Care Coordinator'. The coordinator would oversee pastoral care in the parish and have regular communication with Fr Peter as well as support and meet with the team monthly. Parish council have approved that the parish look for someone to take on the role of Pastoral Care Coordinator part time one - two days a week and receive a small stipend to sustain and support this ministry. This person would not need to be a member of the clergy, it could be that of a lay-person with pastoral qualifications. I have been assisting in the parish with pastoral care for the past five years and now as pastoral care coordinator. Since moving to Wangaratta four months ago I have been coming to St Matthew's on a Wednesday to support this ministry and will continue to do so until such time as a coordinator is appointed.

Fr Colin has had to step back due to ill health we thank both he and Robin for the pastoral support they have given both known and unknown. Carol Read would like to step back from pastoral care; however she will continue on the team and her relationship with those she is currently visiting. We are aware that some care happens through various groups like the Mothers Union and Evening Women's group, this is added value.

Katrina Foster is sending out **Bereavement Anniversary cards** on behalf of MU, this is another important outreach.

The Pastoral Partners Program has been active for three years, however, although part of parish pastoral care does not include pastoral visiting, the role of the pastoral partner is to look out for those who are missing on Sundays/ Wednesdays, follow up with a phone call and relay information back to the ministry team when necessary. This is a significant ministry and one all can be doing by being mindful of those around you, those you haven't seen for a couple of Sundays and follow through with a phone call. My experience is that a phone call "are you ok" is appreciated. There have been times when people know that someone is unwell/going into hospital or grieving and keep it to them ourselves; it's important to let the ministry team know.

Cathy Carden has taken on the role of coordinator of pastoral partners which meets four times a year. Some new members will be coming on to the team in the coming year. We say thank you and goodbye to Cathy Cherry, Elaine Abrecht, Jacqueline Digby and Olwen Steele for their care and support. The last meeting for this year was held on Saturday 19th November.

A special thank you to all who have given their time in pastoral care this year in a variety of ways, you have made a difference.

Reverend Maureen Beattie

PRAYER CIRCLE REPORT

The Prayer Circle has been a part of St Matthews since Fr Peter arrived in 2010, concentrating on worship and prayer. As a small group we meet each week to pray for our Parish, the community and beyond. Prayers are offered in the context of Morning Prayer or the Great Litany. Prayers from a number of sources are used each week and there is an opportunity for impromptu prayers.

We continue, as Fr Peter requested the Prayer Circle several years ago, to pay and provide candles for the votive prayer stand and lamp.

We also donated \$100 to the homeless.

We meet each Wednesday at 9am in the Lady Chapel. We would welcome new members to come and share this time of prayer and worship with us.

The Prayer Circle also entered the Christmas tree display with a Prayer Tree with money raised for the homeless The Prayer Circle will be having a break from Wednesday14 December 2016 and starting refreshed Wednesday 15 February 2017.

We wish all a very Holy and Blessed Christmas. Please come and join as during lent as part of your Lenten devotions. For more information please contact me on kerrywilkinson@iinet.net.au

ST MATTHEWS VILLAGE INC AGM REPORT

The 12-month period since the last Annual Report has continued to be one of continuing stability and growth and the Board is very satisfied with the position in which we find ourselves. This has been achieved through good working relationships between Board members, our Manager, Brian Elliott and our Maintenance Worker, Lindsay Antone.

The resident status in the village has not altered which has allowed for stability between themselves and no turnover of units. This will alter soon when we welcome two new families into the village following completion of two new units. These are situated on land occupied by older two-storey units which were demolished earlier this year.

Refurbishment of the some of the older units which commenced last year is complete and this allowed us to re-house some residents displaced through the demolition of the previously mentioned block. These units continue to offer low-cost housing to people unable to pay full commercial rents and they really appreciate the opportunity to live in the village, so close to the centre of Albury in a supportive environment. It also allows some to rehabilitate and move on in their lives following unfortunate circumstances.

We continue to look to the future with improvements and rebuilding opportunities which will enhance the future of the village and offer meaningful accommodation to people where ingoings and monthly fees are less than some for-profit retirement villages. This seems to be appreciated and we feel meets the outreach and goodwill of Parish.

As the replanted gardens become more established and further plantings and improvements take place the appearance and attractiveness of the village only serves to make for more pleasant living for residents and a more welcoming vista for all visitors.

Residents, on the whole enjoy each others' companionship, but of course, communal living can have its challenges When these occur on seldom occasions, the Board, in conjunction with our Manager work to resolve these as amicably and swiftly as possible.

The monthly social get-togethers continue to happen and residents organise other occasional functions between themselves.

Hopefully 2017 will see the good work and convivial atmosphere of the village continue as we see our residency enlarge when the new units are occupied.

Carol Read
Secretary

WEDNESDAY MORNING FELLOWSHIP GROUP AGM

We continue to meet for a cuppa and a chat after the 10.30am service. As well as celebrate members and friends birthdays. We also support the clergy and organist whenever we can.

Our numbers vary from week to week usually due to the weather but have increased this last twelve months. Come and join us some time.
