The minutes of the 2015 AGM were *confirmed by Victoria Chick seconded by Kerrie Wilkinson*

The reports were received by Julie Ling and Valerie Ratcliffe

Finances. The financial report was given by Julie Torpey who is book keeper.

Question. Why the difference on the lease of the copier?

Reply. The lease of the photocopier has been restricted.

Fr Malcolm asked for more details re choir account

Some of the accounts have been consolidated.

The sundry account is double last years, anything that doesn't have a specific heading goes under sundry account.

Julie to send a detailed report.

Question Should recurring entries have their own heading?

Julie told the meeting we had a surplus of \$1481, so this year you have broken even, it would have been a lot of hard work. Now you are in complete control.

Money in trading account is funds in trust.

Kathy Sutherland asked for comments on the report.

The \$5000 which is shown as a deduction on the Lucy McGrath Cusworth account should have come off St Matthew's war memorial account.

Each of the trust accounts have different purposes.

The sale of QE2 land is listed on the report. We received less than what we wanted. The wardens and parish council were concerned that legal fees were taken from trust fund which we did not authorise. The process was improper.

We had a deficit of \$30,000 in 2015. The year before we had 2 stipend priests. Our income has increased, and our expenses have been reduced. Julie told the meeting that if we can keep this up we will sustain our profit.

Cathy Carden thanked Julie for all her work, but we need to diverse, increase our giving, down the track increase our income. Big parishes been run by one priest and volunteers. She thanked Kaye for communicating with Julie. Individual parishes work hard.

Kathy Sutherland told the meeting that she had seen on Facebook that the Diocese of Wangaratta would not be here after Bp John retires.

Julie replied that we need to come up with new options. The administration of the Diocese would continue. Parishes would be assisted thru strategic planning to increase revenue.

Fr Peter things are diminishing. The Bishop has told people in Melbourne that he would be the last Bishop. The Diocese is insolvent. It is a matter for concern. Wondering when will be people of the Diocese be told. A third of the priests will be retired within the next twelve months I am concerned, but the ministry will continue. Nothing gets discussed with me. Julie congratulated the parish you have worked hard, but you do have a battle ahead. She thanked Kaye who works hard, she does an excellent job. Would like to see more bridges built between Diocese and parishes.

The financial report was received by Robyne Slade seconded by Joe Nesbit

Parish Council.

Fr Peter thanked the outgoing wardens and councillors, the last few years have been challenging.

Ken Curnow who has been a warden for 10 years has decided to retire. He thinks it is time for someone younger to take his place.

QE2 land would have been sold for \$200,000 but because of the tenacity of the wardens which included Ken it was sold for over \$900,000.

There was applause for the outgoing wardens & parish councillors, particularly for Ken.

Ken told the meeting it had been a great pleasure to be a warden. Vicki presented him with a gift.

Announcement of wardens for 2017. Fr Peter announced he had asked Vicki Chick to be his warden. Vicki has accepted this position.

The wardens for 2017 are Victoria Chick (Fr Peter's warden) the people's wardens are Joe Nesbit & Robyne Slade.

Moved by Joe Nesbit seconded by Helen Martin that the Parish Council be the following

Parish Councillors are Jane Atkinson, Cathy Carden, Matthew-Paul Fowler, Robyn Gibbs Malcolm Halford, Martin Hendriks, Barbara Hoodless, Kaye Kennedy, James Lee, Valerie Ratcliffe, Carol Read, Nancy Rooke, Stephanie Stephenson, Kathy Sutherland.

Lay Synod nominations.

Jane Atkinson, Kaye Kennedy & Robyne Slade. The supplementary people being Angela Braybrooks, Carol Read & Robyn Gibbs.

Synod is very important and Fr Peter thanked them for their willingness to serve.

Appointment of Auditor. *Moved by Cathy Carden seconded by Vicki Chick that Norm Kenny be appointed as auditor*

General Business

Vicki Chick thanked Fr Peter. We are extremely lucky to have him he works 7 days a week. He is involved in a lot of community projects.

Fr Peter said the Diocese is reluctant to share the story & he thank the people for being practicing Anglicans.

Diocesan Assessment. The Diocese tried to raise our assessment, also they wanted to tax our trust funds. Our representatives at Bishop in Council said NO. Bishop in Council agreed to raise the assessment to 11% and not tax the Trust fund.

Meeting with Bp Andrew Curnow (Bendigo) He thinks we should leave the Diocese. Our future is up in the air. Vicki told the meeting that we plan to take our money out and invest in a property.

Photocopier. Norma Tanner said that the Evening group gives money towards the leasing of the copier. No where can you get copying done for free. Parish Council to look at ways to collect money for photocopying.

Re the Diocese.

Joe Nesbit said he wanted to reinforce what Fr Peter had said regarding the Diocese. WE are asking questions but not getting answers. There are three parishes supporting the Diocese and we are one of them. We need to take control. Fr Peter replied today we have a surplus. Congratulations to the wardens and parish councillors. It is wonderful to have such a great ministry team.

The meeting concluded at 12.35 pm with the Grace

RECTORS ANNUAL REPORT

Les Murray "Widower in the country"

I'll get up soon, and leave my bed unmade.

I'll go outside and split off kindling wood,

From the yellow-box log that lies beside the gate,

And the sun will be high, for I get up late now.

I'll drive my axe in the log and come back in

With my armful of wood, and pause to look across

The Christmas paddocks aching in the heat,

The windless trees, the nettles in the yard...

And then I'll go in, boil water and make tea.

*Coming on dark, I'll go home, light the lamp
And eat my corned-beef supper, sitting there
At the head of the table. Then I'll go to bed.
Last night I thought I dreamt - but when I woke
The screaming was only a possum skiing down
The iron roof on little moonlit claws.*

Leslie Allan Murray was born in 1938 in Australia and he grew up in his father's dairy farm. He speaks about his life totally changed with the death of his wife and even Christmas and his own faith is crushed by the experience. He speaks about the reality of daily life and connecting with reality is one of our modern imperatives.

St Matthews is a historic witness to a community faith and we continue to respond to a changing world. Across the globe the Christian faith finds itself at the cross roads and we have the choice of becoming a museum for past values or gymnasium where we can negotiate modern challenges within the context of traditional values of compassion, justice and equality. It needs little reflection to announce that we have chosen the latter. The world has changed and so has the structure of the Diocese within which we operate with many vacant parishes and struggling to prove ministry in the traditional way. There is an eerie silence beyond the parish borders but I am grateful that St Matthews is part of a community mission that reaches beyond denominations and is based around a commitment of loving action where all are welcome.

St Matthews –“A community not just a congregation”

The greatest accolade from a visiting stranger is lived out everyday in our total mission, whether in worship, our daily welcome to people in need and the care of our grounds and buildings in the heart of the city.

Our office under Deb, the Op Shop, welcomers, volunteers, and our many important rosters providing assistance to our worship and hospitality.

Worship, Welfare

We continue to be the principal civic worship space for community events and it is heartening funerals, weddings and baptisms continue to be opportunities of pastoral and community service.

Pastoral care

Network has changed with the times and now under the care of Annette Gorham we seek to create an atmosphere where no-one falls through the net and everyone feels cared for in a practical way.

St Matthews Music Foundation for country Kids

Has turned into St Matthews Music Association which has very local governance and increasing numbers children and young people benefitting from the tuition and experience made possible. Our Tunes on Tuesday music in the heart of the city every two weeks is drawing greater numbers each time and is becoming a regular city cultural destination. Albury Chamber Music Festival having grown from the association has a committed committee and the fruit of their enthusiasm has been the great success of our second festival just last week. It features amazing musicians and many interstate visitors and the banner across Dean Street announced it as a regional cultural institution that is here to stay and to grow.

Music department

Continues to be the most flexible and essential part of our parish ministry and with the sanctuary team provides an outstanding witness of service, of the highest caliber.

Our wardens

Bring very different qualities to our management team and I am again grateful for their initiative and hard work under very quickly changing circumstances. They have been wonderful advocates for the interest of the parish as have the members of the parish council. It is heartening to have such a large number of people all with their own ideas that communicate so readily in cyberspace at all hours of the day and night in order to make the most of every days opportunity.

St Matthews Village

Continues to be well served by the committee, most of whom come from the St Matthews family and we continue to explore new ways of making it part of the total parish mission.

The most exciting thing about this year has been new community partnerships with St Matthews. Carevan organization its leadership, mission and volunteers have added new life to both our parish centre and rectory building and our daily mission. The Albury Club has also reached out as a meeting place and hosted part of our Chamber Music Festival. We have also been part of the greatest issues that challenge Australia's community life. Marriage Equality, treatment of refugees, indigenous recognition, the Adani Coal Mine and the environment, mental health issues and homelessness

have been high on our list of issues and we have been fortunate to gain national and international speakers and media coverage all of which affirm St Matthews as place of welcome for all people where Christ's mission to be broken and poured out for the healing of others is a contemporary and very much needed reality.

During the past 12 months, we have lost very significant people in our parish family and community including Ben BAILEY, Margaret SLOANE, Robert BURNS, Fr Colin WELLARD, Doreen WIDDISON, Ursula GENAEHR, Arch McLEISH, Susan HYLANDS, Faith BROWN, Derek BEVERIDGE, Claudette MURRAY, Bruce AVERY, Shirley HODGSON, Daryl GRAY, Terry HOWARD, Robert BROOKS, Sarah PURCHALL, Stephen SEYMOUR, Jean JORGENSON, Jan McDIARMID, Keith THOMAS and Colin HORSBURGH being farewelled from St Matthews with all the love that we can show them and their families at the time, 'Rest eternal grant to them O Lord and let light perpetual shine upon them'.

Best wishes

Fr Peter

ALBURY COURTHOUSE COFFEE SERVICE AGM REPORT

The team has changed a little this year, with Fr. Peter McKeague & the Rev'd Christine Page retiring. We have said farewell to other members and we thank them for their contribution. I thank the Executive, Rowena Ginns, (Secretary), Laine Lindner & Anne Daly (Finance & Statistics), Don & Jill Fielder (Rosters) and Helen Martin (Purchasing Officer) for all their efforts in keeping the project running smoothly. Especially I thank the Team Members for their constancy and commitment.

Our service continues to provide support for people attending the Albury Court sittings on Monday & Tuesday mornings, as it has done for the past seven years. Our volunteers offer Tea, Coffee, Milo, a biscuit or two, (at no cost, other than possibly, a donation) and lend Children's Books to help those who receive them as they wait at the courthouse. It can be a very distressing place for all. The service continues to be self-supporting.

The Court Registrar, Wendy Howard, said in correspondence to me—

"When the service started all those years ago, I did not anticipate such a fruitful and successful project would still prosper some seven years later. It is commendable that each week your volunteers quietly go about their business, set up the service, rain, hail or shine and deliver a cuppa, and a book to a child.

Whilst I realise your volunteers provide the service not looking for appreciation or acknowledgement, I would like to personally acknowledge their dedication and commitment. They do an amazing job."

Again, I wish to thank all the volunteers for their efforts.

It is truly Christianity in action!

BELLRINGERS – TOWER CAPTAINS AGM REPORT

It gives me much pleasure to report on the activities of the St Matthew's Bellringers. We continue to meet every Tuesday for practise, and every Sunday for Service ringing without a break, throughout the year. Ringing for weddings, the occasional funeral and Community events such as Anzac Day and Remembrance Day also form part of our programme requiring commitment from each ringer.

The number of ringers has remained static throughout the year with just enough to cover any absentees. Bob and Tom have been ringing for Service for several months now and should soon be learning the principles of method ringing. Maintenance in the belfry is very important and Bob has taken on the job of assistant Steeple Keeper to Jim, which is a big help.

Throughout the year there have been three groups of ringers visit the tower, one from the U.K in January, one from Adelaide in April and another mix of ringers who were going through to the Anzac Festival in June. Jim rang a quarter peal with two of the groups.

Next weekend will be the 30th Anniversary of the Re-dedication of the Cathedral Bells in Wangaratta. Ringers from Albury and Beechworth will join with the Wangaratta ringers for an afternoon of ringing and fellowship on the Saturday but unfortunately, we will not be able to participate in the formalities on Sunday as we have our own commitment at St Matthew's.

We need new recruits to learn this ancient art of bellringing and would love to hear from you if you think you might be interested. Do come up to the tower either on a Sunday morning between 8.30 and 9 AM or a Tuesday afternoon between 5 and 6.30 PM and see what is involved, you might be surprised. I may also be contacted by phone, the number being in the pew sheet.

See you at the Mini-Fete. Come and enjoy a sausage in bread at the BBQ stall and have a chat with us (if we are not too busy).

CHILDRENS CHURCH AGM REPORT

It is with pleasure that I present the 2017 Children's Church report

Our littlies are very enthusiastic, and enjoy coming and being involved in the service, supported by either their parents or grandparents or both!

The service sheet which is constantly reviewed, seems to be well accepted by all the congregation, and the action songs are enjoyed!

In August we celebrated our 17th birthday, and the occasion was a happy one. We briefly welcomed back Reverend Maureen Beattie, who took the October service in the absence of Fr Peter, it was very good of her to step in, living as she now does, in the Wangaratta Cathedral Parish!

Hospital Chaplain, Catherine Dawson has on 2 occasions, stepped up to take Children's church, and we have much appreciated her fun and down-to earth presentation, she will be taking the November service, with the theme 'Getting ready for Christmas', and we hope there may be a closer association with her in the future!

Fr Peter continues to add his strong input to the service, and his way of relating to even the smallest child, has them answering questions he poses with enthusiasm and confidence, and we appreciate the constant attention to the style and message within the service sheet, and to all the themes presented in the Children's Church services.

Our special thanks must go to our musicians, David Luxon, Rowena Ginns, and Tom Summerfield, who do a wonderful job, presenting happy, up-beat music, which sets the tone of the service! We thank Sandy, Matthew Paul, and Ray, as they attend and assist through the services.

After sadly farewelling Maureen Lewis and Roma Sykes last year, who are unable to attend, we now are fortunate enough to have some excellent new support members, Simone Summerfield and Paul, and Gill Mackay, who are there to welcome, hand out the service sheets, to take up the collection, and serve morning tea, which is a real outreach situation! We thank them so much for their support!

We now send out the Children's church invitations on Email, which is more convenient and keeping up with the times and we thank Deb for her help in this!

Janette, Susan, and I feel this children's ministry is most worthwhile, and we look forward to our 18th year of operation in 2018!

CHOIR & MUSIC REPORT

The choir of St Matthew's has continued to make the major musical contribution to the ongoing weekly liturgy, including a sung psalm, anthem during the censing of the altar, and an anthem during the communion.

On the first Sunday of the month from February to November the choir has prepared a service of choral evensong. Also special music was prepared and presented on Ash Wednesday, Maundy Thursday, Good Friday, Easter Day, and the Celtic service on June 25.

The Murray Conservatorium Choir has continued to use St Matthew's as the regular Albury venue for their concerts in 2017. We also had an international organist – Hans Heilscher – return to give a recital on our very fine Le Tourneau organ on October 1. Unfortunately the recital was very poorly attended, which might place similar events for the future in doubt.

The Victorian branch of RSCM (Royal School of Church Music) organised a singing day at Wangaratta Cathedral on September 23. A number of our choristers attended, and benefited from the choral leadership and conducting of Johnathon Grieves-Smith from Melbourne.

The choir is currently preparing carols for the Parish Carol Service on Sunday December 17 (5pm), and will be fully engaged for Christmas Eve with the normal Sunday morning Eucharist and then Midnight Mass, followed by the morning service on Christmas Day.

We have welcomed Sally Morris and her daughter Elspeth into the soprano section of the choir during this year. And it has been good to have our previous Principal Organist, John Scott, available to fill in at the organ console from time to time. John is also now playing for the monthly Choral Evensong services.

Thank you to David Luxon for his continuing work and support as assistant organist, and to all the choir members for their dedication and commitment. During the year the Music Foundation was able to fund two of our regular choir members – Bec Beall and Chris Nesbit – to attend a conducting course over a period of a number of weeks. This has been very helpful to be able to call on them to assist with conducting the choir on a number of occasions, and I thank them for their willingness to commit to that course. I am also grateful for Fr Peter's continual support and interest in the choir's life and work.

CHURCH DUSTING

The church cleaning and dusting is a thankless task but regardless a dedicated group of aging parishioners continues to do their best to keep our beautiful building as clean as possible.

We still have a few gaps in our roster. We usually have two or three people on the roster for each month. The church is dusted on the first and third week of the month, or at a time that suits the volunteers if for some reason they cannot dust during the suggested time.

Any help will be appreciated and if you are able to do so, please contact the Parish office.

CHURCH SITTERS / WELCOMERS GROUP AGM REPORT

A group of volunteers both male and female attend the church in the mornings from 10am to 1.0pm.

The aim is to be on duty to welcome visitors, and inform them of the history of the building.

Hand out information is available in the Narthex. We also have a well stocked craft cabinet with items suitable for gifts of all ages available at very reasonable prices. The items are hand made by the members of our craft group.

New helpers are needed for a few days that do not have anyone rostered. Once a month for one morning is the rostered time. If you and a friend can help please contact the Parish Office.

Sadie Moffitt

CRAFT EMBROIDERY GROUP AGM REPORT

A small group of happy people meet on the first Wednesday of each month from 1pm to 4pm . We make craft items for the craft cabinet at the church and stock a craft stall for the fete as well as on Mother's Day, and for sale at the Christmas Tree Festival.

For the past three years we have organised a "Christmas Tree Festival", the proceeds of the voting go to charity. The 2016 Festival raised \$1140 dollars for charity and \$1027 from craft sales. We hope to have another successful year in 2017.

Each year we raise hundreds of dollars from the sale of the craft, which go towards necessary improvements and maintainance around the church, as well as covering the cost of photo copying paper.

EMERGENCY FOOD PROGRAM 2017 AGM REPORT

This year has seen a varied need for food parcels with some periods of relative slow demand and others more frantic, as seen in the monthly statistics.

January 22 hampers, February 27, March 27, April 29, May 23, June 15, July 24, August 33, September 26, October 31.

On the other hand there has been constant demand for morning coffees prepared from the office. Those requesting morning tea enjoy each other's company and meet mostly in the rotunda with their milo, tea or coffee. Statistics have only been kept over the last few months but are as follows: April 35 hot drinks, June 278 hot drinks, July 213, August 172, September 206. This is a valuable service in our community.

Once again preparations are under way for the Christmas Hampers. These are to be packed on December 7th, with the help of Albury High School students and collected for distribution on December 8th.

I would like to thank Deb and David for helping me to keep this program running smoothly, also Jane Atkinson and Robyn Wellard as very willing assistants.

Finally a big thank you to the parishioners of St Matthews for your very generous donations of food and cash to help our emergency program function.

EVENING GROUP AGM REPORT

Evening Group has 15 members. Some of them due to various reasons are unable to attend the meetings but are financial members.

We meet on the 3rd day of each month usually at 7 pm in the rectory. This year we held a soup & bread meal followed by a puzzle where members had to find all the books of the bible in a puzzle.

This kept them busy for a considerable period of time.

In August we held a Trivia Night which was run by Glenn Boyd. This was held at Adamshurst, thank you Sandra & Fr Peter for allowing us to use your home for this fund-raising event. The money raised will go towards the leasing of the photo copier.

In July some of us had lunch in the Red Room at the Commercial Club this was a time for some fellowship.

Members helped with dusting, brass cleaning, morning tea, flower arranging, sides person's duties, church sitting during the year.

We are always looking for new members. Our AGM was held on the 16th November, we will meet again on 15th February 2018.

I would like to conclude by thanking my secretary Dell and treasurer Veronica for their help during the last twelve months.

FLOWER REPORT

This has been a busy year with many funerals and 'Special occasions'.

The Pascal candle being most important.

We are very fortunate to have suitable arrangements for all occasions in good quality silk flowers this reduces the work load.

We don't require roster as I have several willing to help if necessary.

We are most grateful to receive donations for flowers in memory of loved ones as this cover the cost of flowers and the need to restore the vases.

It is a thought to have the Pascal Candle restored and treated as it is quite badly marked.

GRAPEVINE EDITORS AGM REPORT

Editors warm greetings to the Grapevine readership! I especially thank Deb for all her support and help, and to all the contributors, whose pleasant attitude and timely emails make my job a pleasant one!

NOTICE TO ALL GRAPEVINE READERS - As Parish Council is endeavouring to keep the publishing costs of Grapevine down and considering what Deb has to do to prepare the Grapevine, both for the email format as well as the hardcopy format, we have decided on this course of action -

Either make a yearly donation towards the Grapevine to help with costs, or it is suggested for those readers who get their Grapevine via email - as it takes time preparing the material to send in the email format, it is requested that a \$10 p.a. subscription be paid into St Matthew's No.1. account, National Australia Bank (NAB) Account name St Matthew's Church Albury, BSB 082 406 Account No. 170532923 (in reference, put your name and 'Grapevine').

For those receiving their copy by hardcopy, (who pick up from the church) a fee of \$20 p.a. is sought, which can either be paid by cash to the office, or into the No.1. account. (Please identify yourself however you pay.)

If you elect to receive your Grapevine via email, please forward your notification and email address to the Parish Office at -office@stmatthewsalbury.com

N.B. When collecting your own hardcopy Grapevine, if you notice any Grapevines still there due to ill health of a parishioner, could you kindly deliver!

Kaori Sparks violin & viola students gave a concert at Adamshurst early in December. This was followed by a concert by Helena Kernaghan's piano students.

After each concert Fr Peter awarded Music Foundation scholarships for 2017.

Takara Walker one of Kaori's students was lucky enough to receive the scholarship for 2017.

OP SHOP ANNUAL REPORT

The Opportunity Shop continues to increase its income. This year it has averaged approximately \$500 per month. Despite the shop's somewhat obscure location the number of customers have increased due to the construction of a sign by Jim Lee. This is hung over the church fence and acts as beacon directing customers to the shop in the Globe Arcade.

The shop is open from 11:00 am until 3:00pm on Wednesday, Thursday and Friday with the latter two days proving to be the busiest. Many thanks to the loyal volunteers who sort the clothes and man the shop. New volunteers are always welcome to enter their name on the Monthly Roster.

Good quality second hand clothing and bric-a-brac is always needed. Absorbent rags (not wool) are also needed for sale to Jack's Rags in Wodonga. Please spread the word to your family and friends about St Matthew's Opportunity Shop.

PASTORAL CARE REPORT

The people on the Pastoral Care Team are Father Peter, Father Bill Ginns, Rowena Ginns, Gillian Mackay, John Schuberg, John Atkinson, Carol Read, David Martin, Barbara Hoodless, Robin Wellard and Annette Gorham.

In 2017 the Pastoral Care Team have worked very closely as a team (without a Coordinator to oversee). We hold monthly meetings, the second Wednesday of each month. Extra meetings are called as needed.

Our weekly and monthly roles involve:

- visiting people in our parish who are sick, elderly or alone; taking home communion to those who find it difficult getting to church and visiting people in hospitals.
- Assisting Father Peter or Father Bill at Retirement Village Services held weekly at Borella House, Lutheran Dellacourt, Lutheran Nursing Yallaroo, Mercy Place, Murray Gardens and Riverwood. Sharing in morning tea after the services is a valuable time of interaction and caring for all. Visiting people who do not make it to the service.
- Assisting with the organisation of services for special events such as: Senior's Service Holy Week, All Soul's Remembrance Service and Senior's Christmas Service.
- Reviewing and updating the prayer list
- Recently, we finalised the 'Give Your Family Peace of Mind' forms which are available to the Parish and Retirement Villages.
- Comfort Cards have been designed and made, sent to families 6 weeks after death of a loved one.
- In October a Training session was held with the theme 'Intentional Listening - ministering to the Aged' led by Leonie White, Deacon and Wagga Wagga Hospital Chaplain. It was a valuable time to reflect on meeting the needs of all we visit, our personal spiritual journey and getting to know each other.

The Pastoral Care Team is committed to caring for all in our Parish and community both now and in the future.

Thank you.

Annette Gorham

PRAYER CIRCLE REPORT

The Prayer Circle has been a part of St Matthews since Fr Peter arrived in 2010, concentrating on worship and prayer. As a small group we meet each week to pray for our Parish, the community and beyond. Prayers are offered in the context of Morning Prayer or the Great Litany. Prayers from a number of sources are used each week and there is an opportunity for impromptu prayers.

We continue, as Fr Peter requested the Prayer Circle several years ago, to pay and provide candles for the votive prayer stand and lamp.

We meet each Wednesday at 9am. We would welcome new members to come and share this time of prayer and worship with us.

The Prayer Circle will be having a break from Wednesday 6 December 2016 and starting refreshed on 14 February 2018 which will be Ash Wednesday.

We wish all a very Holy and Blessed Christmas. Please come and join as during lent as part of your Lenten devotions.

ST MATTHEWS VILLAGE INC AGM REPORT

The last 12 months has continued to be one of stability and growth and the Board is very satisfied with the position in which we find ourselves. We are extremely grateful to our Manager, Brian Elliott and our Maintenance Worker, Lindsay Anton for the hard work they have put in and to our members of the Board

We are pleased to have completed the two three bedroom units and welcome our new residents.

Landscaping has been completed and the Village is looking very good

The older units have been refurbished (bar one) and we continue to offer low-cost housing to people unable to pay full commercial rents, they really appreciate the opportunity to live in the Village. There have been a few minor disturbances but they have been handled well by Brian and life seems to be quite satisfactory.

The Public housing next door continues to be a problem with excessive noise for three units, the Board is actively investigating a way to contain the noise.

The gardens are now well established and are certainly looking wonderful this spring. We continue to look to the future with improvements to units as they become available. There is one two bedroom currently available for sale.

Once again we are very appreciative of the maintenance and ground work carried out by Brian and Lindsay.

Residents enjoy their monthly "Happy Hour" and for most part, enjoy each other's company, there is some underlying tension with two of the residents which I believe cannot be resolved, but it is managed and things seem to be under control.

The Martin Centre is enjoyed by the Residents and is being used more and more.

Thank you to the Board for your continuing support, and a very big thank you to Mark Carden for his work as Treasurer, this is by no means an easy job and we certainly appreciate the work Mark puts in.

We look forward to a happy and healthy next 12 months.

WEDNESDAY MORNING FELLOWSHIP GROUP AGM

We continue to meet for a cuppa and a chat after the 10.30am service. As well as celebrate members and friends birthdays.

Our numbers vary from week to week usually due to the weather, and health issues of some members. Come and join us for fellowship after the service.
