KEEPING CONNECTED TO OUR ST MATTHEW'S FAMILY

THEME: PEACE and HOPE

March - April 2022

Lent comes from an Anglo-Saxon word meaning Spring, and instead of doing the normal Lenten flower throwout we should be having more flowers and this year the flower definitely is the Sunflower as we think of Ukraine. People all over the world are praying for the welfare of the vulnerable citizens of that beseiged nation our very successful Shrove Tuesday Pancake Concert assisted the Ukraine Crisis Appeal. This appeal is the largest Australian tax-deductible fundraising effort for Ukraine and the link is:

<u>www.ukrainecrisiappeal.org</u> if you wish to donate. The very obvious need that connects our Global Christian Community is a very important opportunity to share our faith based on loving action with our schools and wider society. There are many liturgical rabbit holes down which we could disappear at this time of year but instead our Holy Week and Easter Services will focus on **PEACE**. The need for PEACE and Sharing PEACE on Maundy Thursday, Making PEACE for Good Friday and Proclaiming PEACE for Easter Sunday.

Trinity Anglican College and Albury High School students will assist in reminding our local community that Ukraine is everyones business by attaching the colours of the Ukraine flag gold and blue along St Matthew's fence on Kiewa Street as Easter approaches.

As Anzac Day comes up we will be placing poppies on the gates of St Matthew's while the rest of the fence explodes with sunflowers. We are sharing **HOPE** for the future and there couldn't be a better time to do it than when Easter is approaching and the world really needs it.

Local and Global themes catch us as we consider the floods sweeping our Nation and one again there are opportunities to assist.

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion
to guide their decisions.

Above all, we pray for all your precious children, at risk and in fear, that you would hold and protect them.

We pray in the name of Jesus, the Prince of Peace.

Amen.

(Anglican Archbishops Justin Welby and Stephen Cottrell)

ASH WEDNESDAY SERVICE

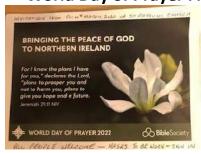

World Day of Prayer Friday 4th March 2022

The World Day of Prayer 2022 was held at St Patricks Church Albury with about 60 people attending - this year. Every year through World Day of Prayer International Committee and Australia organisation, arranges the Commissioning each year to focus on a country. This year was planned for England, Wales & Northern Ireland and a Guest Speaker was approached to speak about the countries.

All Churches in Albury have a meeting of 1 or 2 people representing their Church once a year to arrange this very special service. Everyone is invited from our many Churches within the district to attend, and support with a money donation which is then sent to the country we support that particular year, through the www.worlddayofprayeraustralia.org. Each year Churches in Albury and District are approached to conduct the World Day Of Prayer Year - 2023 St Matthew's Church, Albury has accepted to conduct the service which will be held on a Friday in beginning of Lent. The Women's World Day of Prayer minutes have been handed over to me and I note that The World Day of Prayer commenced in 1954! We will need support from our parishioners for Women's World Day of Prayer 2023 with help with sandwiches, slices etc and also welcomers at front of Church. We will be in touch through the Pew Sheets. Gill Mackay

CHILDREN'S CHURCH

Hello Everyone from Children's Church, This month we invited our teddy bears to Church. They had a lovely time! We talked about when we first met, how lovely it all was. Life was warm and snuggly. Then we talked about what would happen if we were mean to out teddies: called them names or refused to play with them because they were different. None of our teddies liked that at all. In old peoples' church Jesus was teaching his disciples how to talk to people – the way they like to be talked to. So no na na ni nana nar nars. Nasty pasties are out. And everybody can join in if they want to. Even if they wear white socks. (When Catherine was children's church age NOBODY wore white socks...) Our craft activity was decorating teddy bear biscuits. They looked good. Yummy in fact. A word of advice... if you bite the head off a teddy, it is hard to make friends but they doooo taste good!

Thank you everybody who put Children's church together. All the teddies and all the humans had a lovey time. Special thank you to Trisha for playing the Teddy bears picnic music for us to march into our craft.

Our next service will be on March 20th 10:30am and we will be getting ready for Easter.

ST MATTHEW'S RETRO LANE OP SHOP MISSION STATEMENT To raise funds for the work of St Matthew's Albury for the most vulnerable in our community, to provide cheap clothes and goods for sale and to offer a socially inclusive environment to volunteers regardless of race, sexuality, ability or boliefs

Op Shop Facebook page please like and share it.

WINDOW INTO THE OP SHOP The Op. Shop has battled its way through Covid and recent

downpours to again be a bright and cheery arm of the parish. Sales remain steady in this time of rising inflation. We have been able to supply clothes to those in need by way of a voucher system.

Donations of Bric-a -brac and fine quality clothing are particularly welcome. Please leave items directly at the Op. Shop. More volunteers are needed to work with a very dedicated and diverse team and also, we believe there is merit or

opportunities if the OP Shop opens on a Saturday on a trial basis. To do this we need volunteers specifically for Saturdays. Thinking is that a different group of people may be interested/available to volunteer on a Saturday. Please contact the Office if interested in helping. John & Lyn Schuberg

The **Mother's Union** has stepped forward to take a bag of clothing each to launder and press and has really taken the heat off! And also, we've had many very positive reports from people who have been helped into emergency accommodation and even into rehabilitation having a wonderful new start in life. Thank you for this early Easter joy! **Emergency Food Room needs:** tins of soup, spaghetti and baked beans, bottles of pasta

• **Best wishes** to Andrea and Steve Beitzel. Andrea was the Pastoral Care Worker with Lutheran Aged Care, she is taking up a position at Mercy Health in Montrose in February. Steve was unable to secure a job here. Their plan is to try and come back to Albury but that will depend upon us both getting work. It's been an absolute pleasure meeting coming to St Matthews. We will miss it!

Congratulations to Beth and Graham Docksey. Beth has been awarded Albury Citizen of the Year on St Patrick's Day (due to Covid on Australia Day). She was Albury's first female Police Superintendent and is now a passionate advocate for retired and former police officers. 120th Anniversary Service Wangaratta – Sunday March 13

A Celebratory Service will be held at the Cathedral, celebrating the Enthronement of the first Bishop of the Diocese, thus the inauguration of the Diocese, on 13 March 1902, commencing at 2.30pm. The Peace Greeting reminds us of this and affirms that God's spirit is with us in our gathering. The preacher will be the Rt. Revd. David Farrar, a previous Bishop of the Diocese. Some members of St Matthews choir will also be joining with the Cathedral Choir for this service as they will be for Cathy Carden's Ordination.

Sharing Good News: 17th March - A thankyou from the Cathedral Music Director Kieran Crichton: Hello Malcolm, this is to say a big thanks to you and your choir members who visited Holy Trinity Cathedral to sing for the Diocesan Anniversary Service on Sunday afternoon. It was such a wonderful occasion. Many people have been in touch to say how it gave them a feeling of connection and uplift. Many messages have spoken particularly of the powerful effect of the music and the singing of the choir in the service. This was my first major event with the Diocese in the post-Covid era. I

had a real sense of joy to welcome you and your singers to the Cathedral, and to be able to sing with you. I know many of my choir members were thrilled to be part of a bigger group, and to have the energy that comes from being able to generate a much larger sound. Fr Peter's presence among the choir was also encouraging for my people. I also appreciated the goodwill and encouragement of his comments to me after the service. We are looking forward to singing with you again for the ordinations on 26 March. I will be in touch once the music details are completely finalised. Best wishes, Kieran Crichton
